## What is GROW?

It's our community's effort to improve and accelerate the economic growth in and around Hopkins County.

Our mission is to raise the education and skill level of our workforce by helping individuals identify areas for personal improvement and recommending programs that help them to achieve their goals.

## What's in it for me?

An opportunity to gain new skills, a better job, higher pay and the confidence to reach your goals.

New skills and self confidence go a long way towards landing a better job, whether you are interested in a total career change or seeking a promotion. Either way, a better job means better pay.

## How do I GROW?

Call us to take part in the educational needs assessment used to create a road map for your future.

ACE<sup>2</sup>, our partner, provides direction and specific training necessary to help you become one of the best trained and certified workers in high-performance companies that make their home in Hopkins County.

## How much does it cost?

It's **FREE**.

We want to get you started on the right foot. The process of identifying your educational needs costs absolutely nothing. We provide you with a plan that allows you to get the most training for your hard-earned dollar.

## Who can benefit?

Anyone. Everyone.

We encourage everyone to raise their level of education. Whether you are without your high-school diploma or have an associate degree, we will help you find your way to a better future.

## When can I start?

Right now.

The quicker you get started in the program, the sooner you will discover the opportunities that are available to you. There is no obligation and it's FREE. So why wait?

To get started or request more information, call us at 270-821-0100 or visit us on the Web at [www.growhopkins.com](http://www.growhopkins.com).
